PROFESSIONAL PROFILE

BSc (Hons) Computing student with a practical blend of fullstack development, mobile app development, UI/UX design, cybersecurity learning, and data science and analytics. Builds clean, accessible, recruiter-ready digital experiences with strong attention to visual hierarchy, usability, and secure web fundamentals.

TECHNICAL SKILLS

React	JavaScript	Flutter	Figma
Burp Suite	Python	Java	HTML
CSS	UI/UX Design	Data Analytics	Web Security

EDUCATION

Softwarica College of IT and E-Commerce: BSc (Hons) Computing

+2 Nightingale College: Management with Maths and Computer

PROJECTS

- **ChautariKuraKani:** Full social media application for web and mobile where users connect and join Chautari communities inspired by Nepali conversation culture. Tech: TypeScript, Flutter, NodeJS.
- **TeamSphere:** Team management platform for coaches to analyze player performance and support structured decisions. Tech: React, Fullstack, Tailwind.
- **Caption:** Mobile application for multi-language translation and scan-based translation workflows. Tech: Kotlin, Java.
- **GuffGuthi:** Reddit-like communication app inspired by Nepali Guthi culture, focused on community discussion and user interaction. Tech: React, JavaScript.
- **Data Science Data Analytics:** Analytics project for a UK county dataset, focused on insight generation and informed decision-making. Tech: R, R-Studio, Excel.
- **ML/AI Player Recommendation System:** ML/AI project for IPL franchises to support squad building and identify domestic players with growth potential. Tech: Python, Excel.

ACADEMIC & PERSONAL EXPERIENCE

- **Personal Web Application Development:** Built fullstack interfaces and practiced component-driven development with modern JavaScript workflows.
- **Personal Mobile Application Development:** Built functional mobile interfaces using modern Flutter and Riverpod workflows.
- **UI/UX Design Practice:** Created clean user flows, wireframes, and interface concepts with focus on usability and visual hierarchy.
- **Academic Team Collaborations:** Worked with classmates on computing assignments, shared responsibilities, and presented technical outcomes.
- **Cybersecurity Learning:** Explored web application security fundamentals, HTTP behavior, and testing workflows using Burp Suite.

LEADERSHIP & SOFT SKILLS

- **U19 District Cricket Captain:** Demonstrated leadership, teamwork, discipline, communication, and decision-making under pressure.

Soft skills: Leadership, Team Collaboration, Communication, Problem Solving, Adaptability, Strategic Thinking
